Hole #5 – Hole in one wins \$10,000.00 - Sponsored by AirIT

Hole #7 – Longest Drive Male & Female – Sponsored by Otto Construction. Male wins a Cobra ZL Encore Driver, female wins a Callaway Razr FIT Driver. Drives must be in the fairway to qualify for the prize.

Hole #9 – Closest to the Pin - Sponsored by TekSystems. Both male and female will win an Odyssey Versa putter and a hole in one will win a set of Callaway irons in addition to the putter.

Hole #10 – Let the Pro hit your drive, for an \$80.00 fee that goes to charity. One of two of Sacramento's longest hitters Damien Payne (longest drive of 457 yards) or Heather Lemaster (2013 REMAX Female Word Champion and longest drive of 347 yards) will hit the drive for your team. Once the pro hits the drive you be **lying zero** (0). Also, if your team is lucky enough to get the longest drive out of one of our Pros, all member of that team will receive a Cleveland 588 RTX Black Pearl 56 degree wedge. You can purchase up to three drives from the Pros on this hole.

Hole #14 – First hole in one will win an LCD flat screen TV - Sponsored by ANS

Hole #15 - Electrocutation Confusion - Sponsored by F5. As the course rules state, "if you hit the wire on your drive, you must hit again without penalty." All this applies AND you will be entered into a raffle with the winner receiving a Taylor Made RBZ golf bag and CADDYTEK Speed Cart.

Hole #17 - Closest to the pin - Sponsored by NWN. Both male and female will win an Odyssey Versa putter and a hole in one will win 2 round trip domestic air fare tickets in addition to the putter.

Putting Contest – For a \$5.00 fee for each try, you may enter as many times as you want. This will be a 5 hole challenge only counting aces (best score is a 5 of 5). In case of a tie, there will be a sudden death "putt-off" before the shotgun start. Winner will receive an RH Odyssey White Ice Putter #1.

Mulligans – String Mulligans will be offered at the registration area at the beginning of the tournament. This is a fun way to improve your score while maintaining the speed necessary for a full 144 player field. The string will be available for \$10 per foot or \$50 for your fingertip to fingertip wingspan. String Mulligans can be used on any hole for any reason and WILL NOT COST YOU A STROKE! Get out of sand traps, put in that 50 foot putt you left six inches short or get around that tree. Just measure out what you need, cut the length and throw it away! You can add string available from your partners, but you must discard the used portion of the string.
